SUPPLEMENTARY INFORMATION: The Commission instituted this investigation on February 16, 2016, based on a complaint filed by Covidien LP of Mansfield, Massachusetts (“Covidien”). 81 *Fed. Reg.* 7830-31 (Feb. 16, 2016). The complaint alleged violations of section 337 of the Tariff Act of 1930, as amended (19 U.S.C. § 1337), in the importation into the United States, the sale for importation, or the sale within the United States after importation of surgical stapler devices and components thereof, by reason of infringement of certain claims of U.S. Patent Nos. 6,669,073; 8,342,377; and 6,079,606. The notice of investigation named Chongqing QMI Surgical Co., Ltd. of Chongqing, China (“QMI”) as respondent. The Office of Unfair Import Investigations was also named as a party.

On March 1, 2016, Covidien and QMI jointly moved for termination of the investigation in its entirety based on a consent order stipulation and proposed consent order. *See* 19 C.F.R. § 210.21(c). On March 10, 2016, the Commission investigative attorney responded in support of the motion. No other responses were submitted.

On March 10, 2016, the ALJ issued the subject ID, granting the joint motion. The ID finds that the consent order stipulation and proposed consent order comply with Commission rules, *see* 19 C.F.R. § 210.21(c)(3)-(c)(4), and that granting the motion would not adversely affect the public interest, *id.* § 210.50(b)(2). ID at 2-4.

No petitions for review of the ID were filed.

The Commission has determined not to review the ID and to issue the consent order.

The authority for the Commission's determination is contained in section 337 of the Tariff Act of 1930, as amended (19 U.S.C. § 1337), and in Part 210 of the Commission's Rules of Practice and Procedure (19 C.F.R. Part 210).

By order of the Commission.

Secretary to the Commission
